Dr. Dilip Boralkar  
602, Amar Residency,  
Sion-Trombay Road,  
Deonar, Mumbai 400 088

Dear Dr. Boralkar,

Science & Technology Park, University of Pune has been engaged by the Autoridade Nacional do Petroleo, Timor Leste for conducting 5-day Training Course on Environmental Impact Assessment Process in Timor Leste during January 21-25, 2013 at Dili, Timor Leste. The proposed Program Content is enclosed for your information and ready reference.

In order to facilitate the conduct of Training Program your expertise in the field of Environmental Impact Assessment and Management will be of great help. Therefore, we kindly request you to help in conduct of the Program as above. We will be pleased to organise your travel and accommodation for the Training Program as per Itinerary attached. As a token of appreciation of your expert inputs, suitable honorarium will also be paid.

Please confirm your acceptance and send your recent resume as early as possible.

Thanking you,

Yours sincerely,

Rajendra Jagdale, PhD  
Director General & CEO
