**Subject: Invitation for EU-India workshop on remediation of
contaminated sites**

Dear Dr. Boralkar,

The EU-funded EU-India Action Plan Support Facility - Environment Component, with support of the Ministry of Environment & Forests, Government of India, requests your attendance for the EU-India workshop on:

Remediation of contaminated sites: shared solutions between India and the EU

Date: 03 February 2010

Location: Amaltas, India Habitat Centre, Lodhi Road, New Delhi

Experts and invitees from the European Union will present success factors of remediation of contaminated sites as considered relevant for India. Indian mandated authorities will describe present actions and priorities in India. Both Indian and European experts will jointly present feasible options for remediation of contaminated sites in India. In the afternoon, the participants will analyse the options and formulate suggested actions in India.

Participants are invited from Central Government, State Governments, Private Sector, NGOs, and research institutes, both from India and Europe.

Please confirm by 15 January 2010, preferably by e-mail: workshop@apsfenvironment.in or fax: 011-4650 1445. You will receive additional information upon confirmation.

Yours truly,

Johan Bentinck
