Subject: Expensive Continuous Ambient Air Quality Monitoring Systems (CAAQMS) – Analyzer based reference systems and air pollution control program in India – reg.

Grievance No.: PMOPG/E/2023/0136957 dated 10.07.2023

Sir,

With reference to the representation received from Dr. Dilip B. Boralkar, Mumbai on the above mentioned subject requesting to issue certain instructions and/or guidelines to all concerned engaged in the procurement of AAQM instruments in India and thereby put in place a mechanism that is objective, transparent and promotes our self-reliance in this field.

In this regard, it is to inform that the matter of evaluation and guidelines preparation for Low Cost Sensor for Air Quality monitoring is under consideration in CPCB. The comments of Dr. Boralkar will be forwarded to Expert Committee for consideration.

Yours faithfully,

Aditya Sharma
